Medstead Players Safeguarding Policy

Medstead Players is an Amateur Dramatic Society which produces entertainments for the local community.

Medstead Players are committed to protecting all children who are involved in staging any of our productions, or participating in any other Medstead Players activities.

If a child under the age of 16 is involved in any of our productions they will not be allowed to take part unless a suitable adult is present and said adult is responsible for that child. In most cases this will be the child's parent or guardian. Any other arrangement must be made by the parent or guardian and will be their responsibility.

Children under 18 and adults will have separate changing facilities, and all adults involved in the production will be made aware of this.

If a concern is raised the child's parent/guardian will be notified as soon as possible.

Policy to come into effect June 2017 and will be revisited/amended/revised as suitable, every two years.
